**PROPOSED RESOLUTION SETTING THE 2026/2027 TAX RATES
FOR ALL AGENCIES INCLUDED ON COUNTY TAX ROLL
Fiscal Impact: Unknown**

As provided for by Section 29103 of the Government Code, this office has calculated several tax rates for the Board's action thereon.

Pursuant to California Revenue and Taxation Code Section 93, the County is required to levy a countywide tax rate for general local government purposes of 1% of full value. This rate is included at the top of the attached list.

Revenue and Taxation Codes 100 and 401 require separate tax rates for State Assessed properties classified as Unitary and Operating Non-Unitary properties, Pipeline Right of Way Properties, Regulated Railway Unitary Property, and Qualified Property of Public Utilities. The rates represent a "General Tax Levy" and a "Debt Service Levy" and are shown on the last page of the attached listing.

The attached list includes all ad valorem property tax rates that will be included on the regular County tax roll. Additionally, we have included, insofar as possible, all of the "user charges" and other special assessments that will appear on the tax roll along with the identification of the rate per acre, per parcel, or other identifiable base for the charge.

Therefore, IT IS RECOMMENDED that your Board adopt the attached resolution setting the 2026/27 Tax Rates for all agencies included on the County tax roll.

Sincerely,

Aimee X. Espinoza
Auditor-Controller-County Clerk

ABSENT:

NANCY ANDERSON
County Administrative Officer
Clerk of the Board

Deputy Clerk

RESOLUTION

Section 1. WHEREAS:

(a) This is the time set by law for fixing the rates of taxes on the secured roll and levying taxes for the fiscal year 2026/27 (pursuant to Sections 29100 et seq. of the Government Code) for the County of Kern and those entities and funds which are administered by the Board of Supervisors and for those school districts, special districts

and other entities and funds whose affairs and finances are not under the supervision and control of the Board of Supervisors but for which a tax levy is carried on the regular County assessment roll; and

(b) The County Auditor-Controller-County Clerk has filed her calculations of the several tax rates which will produce the amount of revenue required to be raised by taxation to meet budgeted expenditure appropriations and fund reserve requirements after due allowance for delinquencies and anticipated changes to the roll, and less the total of the amount of estimated revenue from other sources (including taxes anticipated on the unsecured roll) and less the amount of the fund balances available, and in so doing has designated the rate for each fund as the percentage of full value of property in each of said taxing entities subject to taxation for each of said funds, and has designated the number of dollars (or fractions thereof) to be assessed against each acre of land or per parcel in those specific cases in which revenues are derived from a designated assessment per acre or parcel rather than upon an ad valorem tax rate.

Section 2. IT IS RESOLVED by the Board of Supervisors of the County of Kern, State of California, as follows:

1. The rate of taxation for the following enumerated funds of the County of Kern for the fiscal year 2026/27 be, and the same is hereby fixed, levied and directed to be collected as a percentage of full value of the taxable property of said county as follows:

General Local Government	1.0000% (Countywide)
---------------------------------	-----------------------------

2. This Board finds and determines that the rates of taxation for the following enumerated school districts, special districts, entities and funds for the fiscal year 2026/27 be, and the same are hereby fixed, levied and directed to be collected as a percentage of full value of the taxable property thereof for each entity or fund (or in the number of dollars or fraction thereof to be assessed against each acre of land or per parcel in those cases in which such an assessment is specifically designated) as set forth in the attached Schedule of Tax Rates and Assessments.

3. The Clerk of the Board shall transmit copies of the Resolution to the following:
