PROPOSED CONTRIBUTION TO KERN ENERGY FOUNDATION**Fiscal Impact: \$1,000; General Fund; Budgeted; Discretionary**

District 1 has requested that your Board approve a contribution to Kern Energy Foundation in the amount of \$1,000.

Kern Energy Foundation is a 501(c)(4) organization established in 2015 to educate the public about the economic technological benefits of Kern County's energy sections. It hosts community outreach programs including the Kern Oil Festival. This year, the festival will take place on Saturday, November 14, 2026 at Stramler Park. This event is designed to give community the opportunity to learn about the industries that are the backbone of Kern County's economy. The proposed contribution will support the festival.

Sufficient appropriations are available in cost center 1007 to support this contribution.

Therefore, IT IS RECOMMENDED that your Board approve a contribution to Kern Energy Foundation in the amount of \$1,000 and authorize the Auditor-Controller-County Clerk to pay.

Sincerely,

A handwritten signature in blue ink that reads "Nancy Anderson".
