**PROPOSED TRANSFER OF APPROPRIATIONS TO FUND THE
COMPLETION OF THE RIDGECREST BRANCH PARKING LOT
IMPROVEMENTS AS PART OF THE INFRASTRUCTURE PROJECT
(Fiscal Impact: \$132,000; General Fund; Not Budgeted; Discretionary)**

The Kern County Library is requesting your Board's approval to transfer appropriations of \$132,000 to complete the Ridgecrest infrastructure. The Ridgecrest Branch Library is undergoing an infrastructure project that includes modifications necessary to make the library's access ramp compliant with the Americans with Disabilities Act (ADA). As part of this work, improvements to the existing parking lot are required to accommodate the ADA-compliant ramp and ensure appropriate accessibility to the facility.

While grant funding is available to support the Ridgecrest Branch infrastructure project, the required parking lot improvements are not an eligible grant expense and are therefore not covered by the grant. The requested transfer will provide the funding necessary to address the parking lot improvements associated with the ADA-compliant ramp and allow the infrastructure project to be completed as planned.

To fulfill this request, the Department requests a transfer of appropriations from Library's Cost Center 1038CC from Spend Category 1433SC OFU/Saving Incentive Credits to Cost Center 3274 CC Gen Serv-Major Maint-General to Spend Category 1638SC-Major Maintenance in the amount of \$132,000 total.

Therefore, IT IS RECOMMENDED that your Board approve the transfer of appropriations in the amount of \$132,000 for the completion of the parking lot improvements at the Ridgecrest Branch Library and authorize the Auditor-Controller to process the specific budgetary adjustments and accounting transactions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Andie Sullivan", followed by a horizontal line.

Andie Sullivan,
Director of Libraries
