**PROPOSED RETROACTIVE AMENDMENT NO. 1 TO AGREEMENT 239-2026 WITH CLINICA SIERRA VISTA TO MODIFY THE TERM AND INCREASE COMPENSATION TO THE CONTRACTOR
(Fiscal Impact: \$208,727; State/Federal; Budgeted; Discretionary; RFP)**

Behavioral Health and Recovery Services (BHRS) requests the approval of retroactive Amendment No. 1 to Agreement 239-2026 with Clinica Sierra Vista providing outpatient behavioral health treatment services for adults, children, and adolescents to modify the term of the agreement to June 26, 2026 through June 30, 2027 and modify Exhibit C Funding Schedule to increase compensation to the contractor by \$208,727 for a new amount not to exceed \$31,931,594.

Agreement 239-2026 signed on June 9, 2026, to provide a community-based, family-oriented, and culturally competent mental health services for adults, children, and adolescents with the goal of minimizing hospitalizations, out-of-home placements or placement failures. Behavioral health services include but are not limited to screening and assessments, crisis response, individual, family and group counseling, medication support, psychiatric evaluations, psychological evaluations and testing, and case management.

Proposed Amendment No. 1 seeks to modify the term of the Agreement to June 26, 2026 through June 30, 2027 and modify Exhibit C, Funding Schedule, to increase compensation to the Contractor by \$208,727 for a new amount not to exceed \$31,931,594. The funding increase is necessary to cover eligible Medi-Cal services that were rendered during the prior fiscal year under Agreement No. 676-2024, which has since expired. The additional funding reflects actual services delivered that exceeded the Department's early fiscal-year projections based on limited data. Because the services were rendered under the prior agreement and the associated claims remain payable, the additional funding is being incorporated into the current Agreement to provide sufficient funding to cover those previously rendered services. The amendment therefore aligns the current Agreement's funding with the actual costs of eligible services already rendered.

This Amendment has been reviewed and approved as to form by County Counsel. This Amendment is retroactive due to delays in billing reconciliation.

Therefore, IT IS RECOMMENDED that the Board approve Amendment No. 1 to Agreement 239-2026 with Clinica Sierra Vista to modify the term of the agreement to June 26, 2026 through June 30, 2027 and modify Exhibit C Funding Schedule to increase compensation to the contractor by \$208,727 for a new amount not to exceed \$31,931,594 and authorize the Chairman to sign.

Respectfully submitted,
