**REQUEST FOR CANCELLATION OF DESIGNATION AND APPROVAL OF MID-YEAR
CAPITAL ASSET ACQUISITION OF ONE-HALF-TON CREW CAB PICKUP (All S.D.s)**
(Fiscal Impact: \$60,000; Kern Sanitation Authority Fund; Not Budgeted; Discretionary)

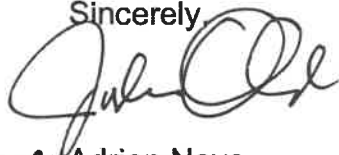

The Public Works Department requests your Board's approval of the mid-year capital asset acquisition of one-half-ton crew cab pickup in an amount not to exceed \$60,000.

Kern Sanitation Authority requires a replacement vehicle because one of its existing units was involved in an accident and has been declared total loss, rendering it completely inoperable and no longer suitable for service. This vehicle is essential for daily operations, enabling staff to travel to facilities, perform inspections, respond to operational needs, and transport equipment and materials. The replacement will be a half-ton, four wheel drive crew cab pickup that aligns with operational requirements. Acquiring this vehicle will restore fleet capacity and ensure staff have the appropriate resources to continue delivering reliable sanitation system operations and maintenance services.

To facilitate this transaction, the Department requests the cancellation of designation in Ledger Account 3176: Designation Account Assigned in the amount of \$60,000 in the Kern Sanitation Authority 5017FD – Cost Center 1796CC Kern Sanitation and subsequent appropriation in Cost Center 1796CC Kern Sanitation Authority – Account 1005SC – Equipment.

Therefore, IT IS RECOMMENDED that your Board approve the cancellation of designation and authorize the mid-year capital asset acquisition of one-half-ton crew cab pickup in an amount not to exceed \$60,000 and authorize the Auditor-Controller to process the specified budgetary adjustments and accounting transactions.

Sincerely,

for Adrian Nava
General Manager
