**PROPOSED ESTABLISHMENT OF SPEED LIMIT ON GOLDEN STAR BOULEVARD,
GOLDEN HILLS (S.D. #2)**
(Fiscal Impact: None)

The Public Works Department requests your Board's approval to establish speed limit on Golden Star Boulevard, Golden Hills.

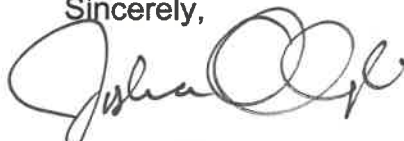

The Public Works Department received a request to conduct an engineering and traffic survey to establish a speed limit on Golden Star Boulevard between Golden Hills Boulevard and Westwood Boulevard. Golden Star Boulevard is designated as a rural local road constructed with one lane in each direction. This roadway currently has a prima facie speed limit of fifty-five (55) miles-per-hour.

In conformance with Section 22358 of the California Vehicle Code, a speed zone should be established as follows:

1. A forty-five (45) mile-per-hour speed limit on Golden Star Boulevard, between Golden Hills Boulevard to Westwood Boulevard, a distance of approximately four thousand seven hundred (4,700) feet.

Therefore, IT IS RECOMMENDED that your Board approve the above-described speed limit and refer this matter to County Counsel for preparation of the necessary Ordinance.

Sincerely,

A handwritten signature in black ink, appearing to read "Joshua Champlin".
