**REQUEST FOR APPROVAL TO CANCEL DESIGNATIONS TO ESTABLISH MID-YEAR
CAPITAL PROJECT FOR THE REHABILITATION OF THE PATTON WAY
CORPORATE OFFICE BUILDING (All S.D.s)**

(Fiscal Impact: \$1,250,000; Road Fund; Not Budgeted; Discretionary)

The Public Works Department requests your Board's approval to cancel unassigned designations and establish a mid-year capital project for the rehabilitation of the Patton Way office building. On June 18, 2019, your Board approved the purchase of Assessor's Parcel Numbers 452-060-28 and 452-060-30, commonly known collectively as 2903 Patton Way, Bakersfield, CA ("Property"), to consolidate leased and owned space, and to create a central Public Works corporation yard. Improvements to date include the demolition of the original buildings and construction of a new office building, perimeter wall, and fuel island.

The next phase of development involves rehabilitating a building included in the original purchase that requires improvements before it can be placed into service. Planned uses for the building coordinating road work orders, code compliance operations, and other Public Works programs, projects, and activities. The allocation of project costs will be consistent with the anticipated use of the building by Public Works client funds or other participating entities.

To facilitate this project, the Department requests to cancel designation in the amount of \$1,250,000 from Road Fund 1348FD – Cost Center 1786CC Account 3200 – Designation Account Unassigned and increase appropriation for ledger account 7501 – Capital Project Expenditures, Spend Category 1003SC – Structures & Improvements.

Therefore, IT IS RECOMMENDED that your Board approve the release of designation in the Road Fund 1348FD in the amount of \$1,250,000 and appropriate in 1786CC Road; authorize the establishment of a mid-year capital project for the rehabilitation of the Patton Way building at the Public Works Patton Corporate Yard in an amount not to exceed \$1,250,000 and authorize the Auditor-Controller to process the specified budgetary adjustments and accounting transactions.

Sincerely,
