**REQUEST FOR AUTHORIZE PURCHASING AGENT TO ISSUE PURCHASE ORDERS
AGAINST APPROVED CONTRACTUAL SERVICES PRICE AGREEMENTS THROUGHOUT
THE INDICATED TERMS, IN AMOUNTS EXCEEDING \$200,000; ALL DISTRICTS
(Fiscal Impact: None)**

The General Services Division is seeking your Board's authorization to increase the maximum compensation payable under certain contractual service Price Agreements in amounts exceeding \$200,000 over the term of each agreement. These contractual service Price Agreements are established for routine services, on an as-needed basis, for either single or multiple departments. When the total amount spent for these agreements exceeds \$200,000, it surpasses the Purchasing Agent's authority and Board approval is required, pursuant to Ordinance Code section 2.38.100.

We are requesting your approval for Price Agreements that have been recently bid or extended and are anticipated to exceed \$200,000 in total compensation over the term. The Price Agreements are listed on Attachment "A", which is included with this letter.

The County Administrative Office has reviewed this request.

Therefore, IT IS RECOMMENDED that your Board authorize the Purchasing Agent to issue purchase orders against the listed service price agreements through the indicated terms in amounts exceeding \$200,000.

Sincerely,

A blue ink signature, appearing to be "MBL", enclosed within a blue oval.

Chief General Services Officer
