Bakersfield, California 93301

JOB ORDER CONTRACT – PROJECT LISTING UPDATE; ALL DISTRICTS
(Fiscal Impact: None)

On April 17, 2000, your Board approved the Job Order Contract (JOC) system concept. It has been determined that legal provisions governing the JOC contracts require that your Board approve the individual projects under the various contracts.

Attached is the list defining the individual projects to be completed by the Job Order Contract Phase 28, Job Order Contract Specialty Site Civil Phase 22, and the Job Order Contract Specialty Mechanical Phase 12.

The General Services Division, in consultation with the Planning and Natural Resources Department, has reviewed the requested action in accordance with the California Environmental Quality Act ("CEQA") and has determined that the action is exempt from further environmental review pursuant to section 15301 of State CEQA Guidelines, as there is no possibility that the action may have a significant effect on the environment.

The County Administrative Office has reviewed this request.

Therefore, IT IS RECOMMENDED that your Board: 1) make a finding that these projects are categorically exempt from further CEQA review per section 15301 of the State California Environmental Quality Act (CEQA) Guidelines; and 2) approve the updated project listing to be completed by the Job Order Contract.

Sincerely,
