TRANSFER TO COUNTY GENERAL FUND OF UNCLAIMED REFUNDABLE PROPERTY TAX PAYMENTS
Fiscal Impact: $506,639; Not Budgeted; Discretionary

Revenue and Taxation (R & T) Code Sections 5096 et seq. set forth the basis, conditions and limitations on refunds of property taxes. Generally, refunds are a result of roll corrections that lower tax bills after the taxes have already been paid. The refunds shown in the attached document were researched and unable to be issued or refund checks were issued but never cashed by the payee. Each refund has been outstanding for five years or more without response.

R &T Code Section 5102 provides that "if any payment may be refunded under this article and no claim is filed within the time allowed, the payment may be transferred to the County General Fund on order of the Board of Supervisors." Since the attached refunds have not been claimed or collected for over five years, it has been standard practice to move the remaining outstanding refund amounts to the General Fund.

Refunds qualified for escheatment are summarized as follows:

Type	# of Refunds	Total
Secured	727	$ 274,776
Unsecured	106	$ 231,863
		$ 506,639

Therefore, IT IS RECOMMENDED that your Board approve the transfer of $506,639 in unclaimed refundable property taxes to the County General Fund.

Sincerely,

Mayte Olivas
