NOTICE OF INTENTION TO SELL TAX-DEFAULTED PROPERTY SUBJECT TO THE POWER OF SALE
(Estimated Tax-Revenue Recovery: $8 Million)

I will advertise before and sell at a public Internet auction on March 08-10, 2027, the properties attached as Exhibit "A" to the County Resolution, which are tax-defaulted and on which I have recorded a Notice of Power to Sell. Pursuant to Revenue & Taxation Code Section RTC § 3704.5, I will advertise the properties on an Internet auction advertising website – https://www.govease.com. These properties will be offered at the initial minimum bid as determined by RTC § 3698.5 and as shown in Exhibit "A". All parcels receiving a "no bid" during the first 48 hours of the auction may be offered at the same or lower minimum bid under RTC § 3698.5(c). Any parcels remaining unsold after the auction on March 08-10, 2027, may be re-offered for sale within ninety (90) days pursuant to RTC § 3692(e).

The properties being offered are located in all areas of the County. On average, 82% of all parcels offered on the internet are sold. Once these properties are sold at public auction, they will again be in a revenue producing status. The cumulative value of the minimum bids for the properties being sold is $8,067,200.00 on 1301 parcels. An advertisement of all properties being sold will be published in newspapers of general circulation as established by the area of influence map.

The purpose of this auction is to recover defaulted taxes on delinquent parcels and place sold parcels in a tax producing status, thereby increasing tax revenues for local services including fire, police, schools, libraries, etc.

The attached charts illustrate our tax-defaulted property auction performance of parcels sold/redeemed and revenue recovered for the past four years.

Therefore, IT IS RECOMMENDED that your Board approve the proposed sale and adopt resolution.

Sincerely,

for Jordan Kaufman
Treasurer and Tax Collector
County of Kern, State of California
