NOW, THEREFORE, IT IS MUTUALLY AGREED between COUNTY and EMPLOYER as follows:

1. EMPLOYER's Duties and Obligations.

   a. EMPLOYER shall employ and train employee(s) (hereinafter referred to as "TRAINEES") in accordance with the "Occupation and On-the-Job Training Outline(s)" attached hereto, labeled Exhibit "A", and incorporated herein by this reference as if set forth in full.

   b. During the training period, EMPLOYER shall insure that each TRAINEE:
      1) is on EMPLOYER's payroll;
      2) receives the same benefits as EMPLOYER's other employees performing similar work and working a similar length of time;
      3) is paid the salary indicated in Exhibit "A";
      4) is provided, by EMPLOYER, with safety instructions and equipment necessary for protection against injury and damage. Where special clothing or equipment is provided to EMPLOYER's regular employees, EMPLOYER shall provide the same type of clothing or equipment to the TRAINEES performing similar work;
      5) is provided supportive services if applicable and reimbursable under the provisions of the WIOA; and

   c. Said TRAINEES shall be employed as regular members of EMPLOYER's workforce during the training period. EMPLOYER shall continue to employ said TRAINEE(S) upon the successful completion of their training. Said continued employment is subject to the same conditions of employment as are applicable to EMPLOYER's regular employees, including, but not limited to, terminations for unsatisfactory performance.

   d. EMPLOYER shall not subcontract On-The-Job Training activities. Any attempt by EMPLOYER to subcontract, assign, or otherwise delegate On-The-Job Training activities shall be void and entitle COUNTY, at its option, to immediately terminate this Agreement. Notwithstanding the above, supportive services provided TRAINEES may be subcontracted if permitted and reimbursable under the provisions of the WIOA.

   e. EMPLOYER shall abide by the Assurances made available hereto labeled Exhibit "B" Assurances, Policies, and Regulations for On-The-Job Training Program, as if incorporated herein by this reference as if set forth in full.

2. EMPLOYER's Compensation.

   a. On-The-Job Training contract must comply with WIOA federal, state, and local policy. Under such guidelines EMPLOYER must agree to maintain and make available time and attendance, payroll and other records to support amounts to be paid in the form of a reimbursement under the OJT contract.

   b. Payment to EMPLOYER shall be limited to those costs incurred during the basic work week (i.e., regular working hours exclusive of commissions, shift differential, overtime, holiday pay, vacation, sick leave or other business closure hours).

   c. EMPLOYER shall submit to COUNTY required payroll documents (payroll summaries and time cards for each payroll period) to Employers' Training Resource, in a timely manner, no more than 60 calendar days

after a TRAINEE has completed their OJT training hours indicated in the OJT contract.

3. Record Keeping.

   a. EMPLOYER shall keep records that are sufficient to permit COUNTY to prepare reports required by the WIOA and to permit the tracing of funds to a level of expenditure adequate to insure that the funds have not been spent unlawfully. EMPLOYER shall retain all records pertinent to this Agreement for a period of three (3) years from the date of final payment of the Agreement. If at the end of three (3) years, there is litigation or an audit involving these records, EMPLOYER shall retain the records until the resolution of such litigation or audit.

4. Indemnification.

   EMPLOYER agrees to indemnify, defend and hold harmless COUNTY and COUNTY's agents, board members, elected and appointed officials and officers, employees, volunteers and authorized representatives from any and all losses, liabilities, charges, damages, claims, liens, causes of action, awards, judgements, costs, and expenses (including, but not limited to, reasonable attorney's fees of County Counsel and counsel retained by COUNTY, expert fees, costs of staff time, and investigation costs) of whatever kind or nature, which arise out of or are in any way connected with any act or omission of EMPLOYER or EMPLOYER's officers, agents, employees, independent contractors, sub-contractors of any tier, or authorized representatives. Without limiting the generality of the foregoing, the same shall include injury or death to any person or persons; damage to any property, regardless of where located, including the property of COUNTY; and any Workers' Compensation claim or suit arising from or connected with any services performed pursuant to this Agreement on behalf of EMPLOYER by any person or entity.

5. Insurance Requirements.

   EMPLOYER, in order to protect COUNTY and its board members, officials, agents, officers, and employees against all claims and liability for death, injury, loss and damage as a result of EMPLOYER's actions in connection with the performance of EMPLOYER's obligations, as required in this Agreement, shall secure and maintain insurance as described below. EMPLOYER shall not perform any work under this Agreement until EMPLOYER has obtained all insurance required under this section and the required certificates of insurance and all required endorsements have been filed with the COUNTY's authorized insurance representative. Receipt of evidence of insurance that does not comply with all applicable insurance requirements shall not constitute a waiver of the insurance requirements set forth herein. The required documents must be signed by the authorized representative of the insurance company shown on the certificate. Upon request, EMPLOYER shall supply proof that such person is an authorized representative thereof and is authorized to bind the named underwriter(s) and their company to the coverage, limits and termination provisions shown thereon. The EMPLOYER shall promptly deliver a certificate of insurance, and all required endorsements, with respect to each renewal policy, as necessary to demonstrate the maintenance of the required insurance coverage for the term specified herein. Such certificates and endorsements shall be delivered prior to the expiration date of any policy and bear a notation evidencing payment of the premium thereof if so requested. EMPLOYER shall immediately pay any deductibles and self-insured retentions under all required insurance policies upon the submission of any claim by EMPLOYER or COUNTY as an additional insured.

   (1) Workers' Compensation and Employers Liability Insurance Requirement -- In the event EMPLOYER has employees who may perform any services pursuant to this Agreement, EMPLOYER shall submit written proof that EMPLOYER is insured against liability for workers' compensation in accordance

Docusign Envelope ID: C09FE2FB-33EB-8C7B-832F-007C6191F630

with the provisions of section 3700 of the California Labor Code.

EMPLOYER shall require any sub-contractors to provide workers' compensation for all of the subcontractors' employees, unless the sub-contractors' employees are covered by the insurance afforded by EMPLOYER. If any class of employees engaged in work or services performed under this Agreement is not covered by California Labor Code section 3700, EMPLOYER shall provide and/or require each sub-contractor to provide adequate insurance for the coverage of employees not otherwise covered.

EMPLOYER shall also maintain employer's liability insurance with limits of one million dollars ($1,000,000) for bodily injury or disease.

(2) Liability Insurance Requirements:

a. EMPLOYER shall maintain in full force and effect, at all times during the term of this Agreement, the following insurance:

i. Commercial General Liability Insurance including, but not limited to, Contractual Liability Insurance (specifically concerning the indemnity provisions of this Agreement with the COUNTY), Products-Completed Operations Hazard, Personal Injury (including bodily injury and death), and Property Damage for liability arising out of EMPLOYER's performance of work under this Agreement. The Commercial General Liability insurance shall contain no exclusions or limitation for independent contractors working on the behalf of the named insured. EMPLOYER shall maintain the Products-Completed Operations Hazard coverage for the longest period allowed by law following termination of this Agreement. The amount of said insurance coverage required by this Agreement shall be the policy limits, which shall be at least one million dollars ($1,000,000) each occurrence and two million dollars ($2,000,000) aggregate.

ii. Automobile Liability Insurance against claims of Personal Injury (including bodily injury and death) and Property Damage covering any vehicle and/or all owned, leased, hired and non-owned vehicles used in the performance of services pursuant to this Agreement with coverage equal to the policy limits, which shall be at least one million dollars ($1,000,000) each occurrence.

b. The Commercial General Liability and Automobile liability Insurance required in this sub-paragraph b. shall include an endorsement naming the COUNTY and COUNTY's board members, officials, officers, agents and employees as additional insureds for liability arising out of this Agreement and any operations related thereto. Said endorsement shall be provided using one of the following three options: (i) on ISO form CG 20 10 11 85; or (ii) on ISO form CG 20 37 10 01 plus either ISO form CG 20 10 10 01 or CG 20 33 10 01; or (iii) on such other forms which provide coverage at least equal to or better than form CG 20 10 11 85.

c. Any self-insured retentions in excess of $100,000 must be declared on the Certificate of Insurance or other documentation provided to COUNTY and must be approved by the COUNTY Risk Manager.

d. If any of the insurance coverages required under this Agreement is written on a claims-

made basis, EMPLOYER, at EMPLOYER's option, shall either (i) maintain said coverage for at least five (5) years following the termination of this Agreement with coverage extending back to the effective date of this Agreement; (ii) purchase an extended reporting period of not less than five (5) years following the termination of this Agreement; or (iii) acquire a full prior acts provision on any renewal or replacement policy.

(3) Cancellation of Insurance -- The above stated insurance coverages required to be maintained by EMPLOYER shall be maintained until the completion of all of EMPLOYER's obligations under this Agreement except as otherwise indicated herein. Each insurance policy supplied by the EMPLOYER shall not be suspended, voided, cancelled or reduced in coverage or in limits except after ten (10) days written notice by EMPLOYER in the case of non-payment of premiums, or thirty (30) days written notice in all other cases. This notice requirement does not waive the insurance requirements stated herein. EMPLOYER shall immediately obtain replacement coverage for any insurance policy that is terminated, canceled, non-renewed, or whose policy limits have been exhausted or upon insolvency of the insurer that issued the policy.

(4) All insurance shall be issued by a company or companies admitted to do business in California and listed in the current "Best's Key Rating Guide" publication with a minimum rating of A-; VII. Any exception to these requirements must be approved by the COUNTY Risk Manager.

(5) If EMPLOYER is, or becomes during the term of this Agreement, self-insured or a member of a self-insurance pool, EMPLOYER shall provide coverage equivalent to the insurance coverages and endorsements required above. The COUNTY will not accept such coverage unless the COUNTY determines, in its sole discretion and by written acceptance, that the coverage proposed to be provided by EMPLOYER is equivalent to the above-required coverages.

(6) All insurance afforded by EMPLOYER pursuant to this Agreement shall be primary to and not contributing to all insurance or self-insurance maintained by the COUNTY. An endorsement shall be provided on all policies, except professional liability/errors and omissions, which shall waive any right of recovery (waiver of subrogation) against the COUNTY. A waiver of right of recovery (waiver of subrogation) is only required on Workers' Compensation policies when a EMPLOYER's personnel deliver or perform services for the COUNTY while on COUNTY property.

(7) Insurance coverages in the minimum amounts set forth herein shall not be construed to relieve EMPLOYER for any liability, whether within, outside, or in excess of such coverage, and regardless of solvency or insolvency of the insurer that issues the coverage; nor shall it preclude the COUNTY from taking such other actions as are available to it under any other provision of this Agreement or otherwise in law.

(8) Failure by EMPLOYER to maintain all such insurance in effect at all times required by this Agreement shall be a material breach of this Agreement by EMPLOYER. COUNTY, at its sole option, may terminate this Agreement and obtain damages from EMPLOYER resulting from said breach. Alternatively, COUNTY may purchase such required insurance coverage, and without further notice to EMPLOYER, COUNTY shall deduct from sums due to EMPLOYER any premiums and associated costs advanced or paid by COUNTY for such insurance. If the balance of monies obligated to EMPLOYER pursuant to this Agreement are insufficient to reimburse COUNTY for the premiums and any associated costs, EMPLOYER agrees to reimburse COUNTY for the premiums and pay for all costs associated with the purchase of said insurance.

Any failure by COUNTY to take this alternative action shall not relieve EMPLOYER of its obligation to obtain and maintain the insurance coverages required by this Agreement.

6. Intellectual Property Provisions.

a. Federal Funding.

In any agreement funded in whole or in part, by the federal government, COUNTY may acquire and maintain the Intellectual Property rights, title, and ownership, which result directly or indirectly from the agreement, except as provided in 37 CFR Part 401.14. However, pursuant to 29 CFR Section 97.34 the federal government shall have a royalty-free, non-exclusive, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

EMPLOYER further agrees that this Agreement is subject to and shall be governed by 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding EMPLOYER.

b. Ownership.

1) Except where COUNTY has agreed in a signed writing to accept a license, COUNTY shall be and remain, without additional compensation, the sole owner of any and all rights, title and interest in all Intellectual Property, from the moment of creation, whether or not jointly conceived, that are made, conceived, derived from, or reduced to practice by EMPLOYER and which result directly or indirectly from this Agreement.

2) For the purposes of this Agreement, Intellectual Property means recognized protectable rights and interest such as: patents (whether or not issued), copyrights, trademarks, service marks, applications for any of the foregoing, inventions, trade secrets, trade dress, logos, insignia, color combinations, slogans, moral rights, right of publicity, author's rights, contract and licensing rights, works, mask works, industrial design rights, rights of priority, know how, design flows, methodologies, devices, business processes, developments, innovations, good will, any data or information maintained, collected or stored in the ordinary course of business by COUNTY, and all other legal rights protecting intangible proprietary information as may exist now and/or hereafter come into existence, and all renewals and extensions, regardless of whether those rights arise under the laws of the United States, or any other state, country or jurisdiction.

(a) For the purpose of the definition of Intellectual Property, "works" means all literary works, writings, and printed matter including the medium by which they are recorded or reproduced, photographs, art work, pictorial and graphic representations and works of a similar nature, film, motion pictures, digital images, animation cells, and other audiovisual works including positives and negatives thereof, sound recordings, tapes, educational materials, interactive videos, computer software and any other materials or products created, produced, conceptualized and fixed in a tangible medium of expression. It includes preliminary and final products and any materials and information developed for the purposes of producing those final products. "Works" does not include articles submitted to peer review or reference journals or independent research projects.

3) In the performance of this Agreement, EMPLOYER may exercise and utilize certain of its Intellectual Property in existence prior to the effective date of this Agreement. In addition, under

this Agreement, EMPLOYER may access and utilize certain of COUNTY's Intellectual Property in existence prior to the effective date of this Agreement. Except as otherwise set forth herein, EMPLOYER shall not use any of COUNTY's Intellectual Property now in existence or hereafter existing for any purposes without the prior written permission of COUNTY. Except as otherwise set forth herein, neither the EMPLOYER nor COUNTY shall give any ownership interest in or rights to its Intellectual Property to the other Party. If during the term of this Agreement, EMPLOYER accesses any third-party Intellectual Property that is licensed to COUNTY, EMPLOYER agrees to abide by all license and confidentiality restrictions applicable to COUNTY in the third-party's license agreement.

4) EMPLOYER agrees to cooperate with COUNTY in establishing or maintaining COUNTY's exclusive rights in the Intellectual Property and in assuring COUNTY's sole rights against third parties with respect to the Intellectual Property. If the EMPLOYER enters into any agreements or subcontracts with other parties in order to perform this Agreement, EMPLOYER shall require the terms of the agreement(s) to include all Intellectual Property provisions of paragraph 6.a. through 6.i. Such terms must include, but are not limited to, EMPLOYER assigning and agreeing to assign to COUNTY all rights, title and interest in Intellectual Property made, conceived, derived from, or reduced to practice by EMPLOYER or COUNTY and which result directly or indirectly from this Agreement or any subcontract.

5) Pursuant to paragraph 6.b.4), the requirement for the EMPLOYER to include all Intellectual Property provisions of paragraph 6.a. through 6.i. in all agreements and subcontracts it enters into with other parties does not apply to agreements or subcontracts that are for customized and on-the-job training as authorized under 20 CFR 680.700-750.

6) EMPLOYER further agrees to assist and cooperate with COUNTY in all reasonable respects, and execute all documents and, subject to reasonable availability, give testimony and take all further acts reasonably necessary to acquire, transfer, maintain, and enforce COUNTY's Intellectual Property rights and interests.

c. Retained Rights/License Rights.

1) Except for Intellectual Property made, conceived, derived from, or reduced to practice by EMPLOYER or COUNTY and which result directly or indirectly from this Agreement, EMPLOYER shall retain title to all of its Intellectual Property to the extent such Intellectual Property is in existence prior to the effective date of this Agreement. EMPLOYER hereby grants to COUNTY, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use, reproduce, manufacture, sell, offer to sell, import, export, modify, publicly and privately display/perform, distribute, and dispose of EMPLOYER's Intellectual Property with the right to sublicense through multiple layers, for any purpose whatsoever, to the extent it is incorporated in the Intellectual Property resulting from this Agreement, unless EMPLOYER assigns all rights, title and interest in the Intellectual Property as set forth herein.

2) Nothing in this provision shall restrict, limit, or otherwise prevent EMPLOYER from using any ideas, concepts, know-how, methodology or techniques related to its performance under this Agreement, provided that EMPLOYER's use does not infringe on the patent, copyright, trademark rights, license or other Intellectual Property rights of COUNTY or third party, or result in a breach or default of any provisions of paragraph 6.a. through 6.i. or result in a breach of any provisions of law relating to confidentiality.

d. Copyright.

1) EMPLOYER agrees that for purposes of copyright law, all works (as defined in Ownership, paragraph 6.b.2)(a)) of authorship made by or on behalf of EMPLOYER in connection with EMPLOYER's performance of this Agreement shall be deemed "works made for hire." EMPLOYER further agrees that the work of each person utilized by EMPLOYER in connection with the performance of this Agreement will be a "work for hire," whether that person is an employee of EMPLOYER or that person has entered into an agreement with EMPLOYER to perform the work. EMPLOYER shall enter into a written agreement with any such person that: (i) all work performed for EMPLOYER shall be deemed a "work made for hire" under the Copyright Act and (ii) that person shall assign all right, title, and interest to COUNTY to any work product made, conceived, derived from or reduced to practice by EMPLOYER or COUNTY and which result directly or indirectly from this Agreement. (Refer to 2 CFR 200.35.)

2) All materials, including, but not limited to, computer software, visual works or text, reproduced or distributed pursuant to this Agreement that include Intellectual Property made, conceived, derived from, or reduced to practice by EMPLOYER or COUNTY and which result directly or indirectly from this Agreement may not be reproduced or disseminated without prior written permission from COUNTY.

e. Patent Rights.

With respect to inventions made by EMPLOYER in the performance of this Agreement, which did not result from research and development specifically included in the Agreement's scope of work, EMPLOYER hereby grants to COUNTY a license as described under paragraph 6.c. for devices or materials incorporating or made through the use of such inventions. If such inventions result from research and development work specifically included within the Agreement's scope of work, then EMPLOYER agrees to assign to COUNTY, without additional compensation, all its right, title and interest in and to such inventions and to assist COUNTY in securing United States and foreign patents with respect thereto.

f. Third-Party Intellectual Property.

Except as provided herein, EMPLOYER agrees that its performance of this Agreement shall not be dependent upon or include any Intellectual Property of EMPLOYER or any third party without first: (i) obtaining COUNTY's prior written approval; and (ii) granting to or obtaining for COUNTY, without additional compensation, a license, as described in paragraph 6.c., for any of EMPLOYER's or third party's Intellectual Property in existence prior to the effective date of this Agreement. If such a license upon these terms is unattainable, and COUNTY determines that the Intellectual Property should be included in or is required for EMPLOYER performance of this Agreement, EMPLOYER shall obtain a license under terms acceptable to COUNTY.

g. Warranties.

1) EMPLOYER represents and warrants that:

(a) It has secured and will secure all rights and licenses necessary for its performance of this Agreement.

(b) Neither EMPLOYER's performance of this Agreement, nor the exercise by either Party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell,

import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by EMPLOYER or COUNTY and which result directly or indirectly from this Agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There are currently no actual or threatened claims by any such third party based on an alleged violation of any such right by EMPLOYER.

(c) Neither EMPLOYER's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against, any person or entity.

(d) It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors.

(e) It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to COUNTY in this Agreement.

(f) It has appropriate systems and controls in place to ensure that state and federal funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

(g) It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way EMPLOYER's performance of this Agreement.

2) COUNTY makes no warranty that the Intellectual Property resulting from this Agreement does not infringe upon any patent, trademark, copyright or the like now existing or subsequently issued.

h. Intellectual Property Indemnity.

1) EMPLOYER shall indemnify, defend and hold harmless COUNTY and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products ("Indemnities") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim action, or proceeding, commenced or threatened) to which any of the Indemnities may be subject, whether or not EMPLOYER is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of EMPLOYER pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of COUNTY's use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by EMPLOYER or COUNTY and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that was issued after the effective date of this Agreement. COUNTY reserves the right to participate in and/or control, at EMPLOYER's expense, any such infringement action brought against COUNTY.

2) Should any Intellectual Property licensed by EMPLOYER to COUNTY under this Agreement become

the subject of an Intellectual Property infringement claim, EMPLOYER will exercise its authority reasonably and in good faith to preserve COUNTY's right to use the licensed Intellectual Property in accordance with this Agreement at no expense to COUNTY. COUNTY shall have the right to monitor and appear through its own counsel (at EMPLOYER's expense) in any such claim or action. In the defense or settlement of the claim, EMPLOYER may obtain the right for COUNTY to continue using the licensed Intellectual Property or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, COUNTY may be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.

3) EMPLOYER agrees that damages alone would be inadequate to compensate COUNTY for breach of any term of these Intellectual Property provisions of paragraph 6.a. through 6.i. by EMPLOYER. EMPLOYER acknowledges COUNTY would suffer irreparable harm in the event of such breach and agrees COUNTY shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

i. Survival.

The provisions set forth herein shall survive any termination or expiration of this Agreement or any project schedule.

7. Assurances.

a. COUNTY shall obey the provisions of WIOA, the regulations and guidelines enacted pursuant to WIOA, and the terms of the WIOA grant agreements from the federal and state government to COUNTY.

b. EMPLOYER may access WIOA and the regulations issued to implement WIOA at www.doleta.gov/wioa/. EMPLOYER will be notified of changes and/or amendments affecting WIOA or the regulations as soon as possible after they are made known to COUNTY.

c. EMPLOYER shall accept persons into its program(s) who have been referred by COUNTY's Employers' Training Resource or its authorized agent(s) unless such persons are not eligible or suitable for EMPLOYER's program(s) pursuant to WIOA and this Agreement.

8. Confidentiality Requirements.

a. COUNTY and EMPLOYER will exchange various kinds of information pursuant to this Agreement. That information will include Personally Identifiable Information (PII), data, applications, program files, and databases. These data and information are confidential when they define an individual or an employing unit or when the disclosure is restricted or prohibited by any provision of law. Confidential information requires special precautions to protect it from unauthorized use, access, disclosure, modification, and destruction. b. EMPLOYER agrees to keep all information that is exchanged between COUNTY in the strictest confidence and make such information available to its own employees only on a "need-to-know" basis.

c. EMPLOYER shall provide security sufficient to ensure the protection of confidential information from improper use and disclosures including sufficient administrative, physical, and technical safeguards to protect this information from reasonable unanticipated threats to the security or confidentiality of the information.

d. Federal law, OMB Guidance, and DOL policies require that PII and other sensitive information be protected. To ensure compliance with federal law and regulations, EMPLOYER must secure the storage and transmission of PII and sensitive data developed, obtained, or otherwise associated with WIOA funds:

1) To ensure PII is not transmitted to unauthorized users, all PII and other sensitive data transmitted via email or stored on CDs, DVDs, hard drives, USB flash drives, or other removable media must be encrypted using Federal Information Processing Standards (FIPS) 140-2 compliant and National Institute of Standards and Technology (NIST) validated cryptographic module.

2) EMPLOYER must take steps necessary to ensure the privacy of all PII obtained from participants and/or other individuals and to protect such information from unauthorized disclosure.

3) EMPLOYER shall ensure that any PII used during the performance of activities associated with COUNTY have been obtained in conformity with this Agreement and applicable federal and state laws governing the confidentiality of information.

e. EMPLOYER agrees to comply with section 444 of the General Education Provisions Act (20 U.S.C. 1232g) as added by the Family Educational Rights and Privacy Act of 1974. EMPLOYER shall provide written instructions to all of its employees with access to information of a confidential nature of the penalties for unauthorized use or disclosure found in sections 1798.53 and 1798.55 of the Civil Code, section 502 of the Penal Code, section 2111 of the Unemployment Insurance Code, section 10850 of the Welfare and Institutions Code and other applicable local, state and federal laws. COUNTY shall provide EMPLOYER with copies of the aforementioned code sections. Changes and/or amendments affecting these code sections will be issued to EMPLOYER as soon as possible after they are made available to COUNTY.

f. EMPLOYER shall (where it is appropriate) store and process information in electronic format, in such a way that unauthorized persons cannot reasonably retrieve the information by means of a computer, remote terminal or other means. EMPLOYER shall return the confidential information promptly and destroy all copies or derivations of that confidential information when its use ends, utilizing an approved method of confidential destruction: shredding, burning or certified or witnessed destruction. Magnetic media are to be degaussed or returned to the entity that provided it.

g. If EMPLOYER enters into an agreement with a third party to provide WIOA services, EMPLOYER agrees to include these data and security and confidentiality requirements in the agreement with that third party. In no event shall said information be disclosed to any individual outside of that third party's authorized staff, subcontractor(s), service providers, or employees.

h. EMPLOYER shall designate a person responsible for the security and confidentiality of the data and immediately notify the Chief Workforce Development Officer for COUNTY's Employers'

Training Resource, or his/her designee, in writing, of any designee changes. EMPLOYER's data security confidentiality designee is:
