PROPOSED DISABLED PARKING ZONE ON VIRGINIA STREET, BAKERSFIELD (S.D. #5)
(Fiscal Impact: None)

The Public Works Department requests your Board's approval to extend a disabled parking zone on Virginia Street, Bakersfield.

The Public Works Department received a request from Bertha Monsibais to establish a disabled parking zone along the east frontage of her property located at 1616 and 1620 Virginia Street.

Mrs. Monsibais has disabled tenants and is requesting a disabled parking zone because neighbors and customers of a local market across the street are parking in front of her property, blocking access to the walkways to the front doors. She is requesting an extended disabled parking zone to cover both 1616 and 1620 Virginia Street addresses at this parcel for the same issue.

In accordance with section 22511.7 of the California Vehicle Code, disabled parking should be designated as follows.

1. A disabled parking zone along the west side of Virginia Street beginning 95 feet south of the south flowline of Flower Street, then south 50 feet.

Therefore, it is RECOMMENDED that your Board approve the above-described disabled parking zone and refer this matter to County Counsel for preparation of the necessary Ordinance.

Sincerely,

Joshua Champlin
Director
