PROPOSED AMENDMENT NUMBER ONE (1) TO AGREEMENT NUMBER 143-2013 WITH BAYFRONT YOUTH & FAMILY SERVICES TO INCREASE MAXIMUM COMPENSATION AND SERVICE LEVELS (Fiscal Impact: $35,000; Medi-Cal/Realignment; Budgeted; Mandated)

The Mental Health Department requests your Board’s approval of Amendment Number One (1) to Agreement Number 143-2013 with Bayfront Youth and Family Services, to increase the maximum compensation to the Contractor to provide day treatment and mental health services for children and adolescents placed at the Bayfront Youth and Family group home.

Agreement 143-2013 signed on March 19, 2013 provided day treatment and mental health services for Seriously Emotionally Disturbed (SED) children and adolescents who may have been previously removed from multiple group homes or placements due to severe behavioral and mental health issues from March 19, 2013 through June 30, 2013. Services may include day treatment, psychiatric assessment and evaluation, individual, group, and family therapy, medication support, and case management.

Proposed Amendment Number One (1) seeks to increase the maximum compensation to the Contractor by $35,000 to reflect the increase in day treatment and mental health services for children and adolescents placed at the facility.

This Amendment has been reviewed and approved as to form by County Counsel. Sufficient appropriations are available in the Department’s FY 2012-13 budget to fund this request.

Therefore, IT IS RECOMMENDED that your Board approve Amendment Number One (1) to Agreement Number 143-2013 with Bayfront Youth and Family Services to increase maximum compensation in the amount of $35,000 for a total not to exceed $60,000 and authorize the Chairman to sign.

Respectfully submitted,

James A. Waterman, Ph.D.
Director
