AB 109 FINANCIAL SUMMARY AND DATA TRACKER REPORTS
FOR JANUARY 1, 2013 - MARCH 31, 2013 AS PRESENTED TO THE
COMMUNITY CORRECTIONS PARTNERSHIP COMMITTEE
(Fiscal Impact: None)

On April 4, 2011, Governor Brown signed Assembly Bill (AB) 109, the Public Safety Realignment Act which fundamentally altered the criminal justice system by changing the definition of a felony, and shifting housing for low-level offenders from prisons to local County jail. AB 109 also transferred the supervision of many parolees from the California Department of Corrections and Rehabilitation (CDCR) to local County agencies.

The Community Corrections Partnership (CCP) and CCP Executive Committee, established under PC 1230 and PC 1230.1, created the County of Kern Public Safety Realignment Act of 2011 Implementation Plan approved by your Board on October 25, 2011 with a subsequent Plan for FY 12/13 approved on July 31, 2012. The CCP is committed to making the Realignment process as successful as possible to reduce recidivism and ensure public safety. The CCP continues to meet on a regular basis to share data, discuss implementation progress, examine outcomes and decide future direction of the Realignment process. As part of that process, the Probation Department is coordinating the quarterly and annual data collection.

At the CCP’s most recent meeting on May 22, 2013, the AB 109 financial and data tracker reports were submitted summarizing progress of AB 109 from January 1, 2013 through March 31, 2013 for the departments who received an AB 109 allocation for FY 12/13.

In addition to the financial summary and data tracker reports, attached is an AB 109 Summary Overview providing a narrative description of the activities during the 3rd quarter FY 12/13.

Therefore, IT IS RECOMMENDED that your Board receive and file the attached reports.

Sincerely,

David M. Kuge
Chief Probation Officer
