PROPOSED AGREEMENT WITH DELANO UNION SCHOOL DISTRICT FOR THE SUCCESSFUL APPLICATION STIPENDS PROGRAM
(Fiscal Impact: $6,600 (FY 2013-14 $3,300); State/Grant; Budgeted; Discretionary)

The purpose of this letter is to request your Board’s approval of proposed Agreement with Lamont School District for the Successful Application Stipends (SAS) program from July 1, 2013 through June 30, 2015, in an amount not to exceed $6,600.

The SAS program was developed in partnership by First 5 Kern, the Children’s Health Initiative, and the Kern County Public Health Services Department in an effort to support successful health insurance outreach efforts to Kern County children for the Medi-Cal and Healthy Families programs. Funding from First 5 Kern will support the efforts made to children ages 0 through 5 and their families by paying $60 stipends to local enrolling entities for successful enrollments and $120 stipends for multiple program applications. Funding from grants through the Children’s Health Initiative will reimburse efforts for families with children ages 6 through 18.

This Agreement has been reviewed and approved as to form by County Counsel.

Therefore, IT IS RECOMMENDED your Board approve and authorize the Chairman to sign the proposed Agreement with Delano Union School District for the Successful Application Stipends program from July 1, 2013 through June 30, 2015, in an amount not to exceed $6,600.

Respectfully submitted,

Matthew Constantine
Director of Public Health Services
