I. GENERAL INFORMATION

A. Project Background

The County of Kern, Sheriff-Coroner's Office, is seeking an independent, accredited forensic laboratory to provide analysis of antemortem and/or postmortem specimens used by forensic pathologists as part of the process in determining cause and manner of death. The Kern County Coroner's Office completes toxicology analysis on about 1350 cases per year.

The Coroner's Office also requires analysis of substances that may be spiked with unknown drugs to determine if related to cause of death. Testing for drugs in unknown substances may total about 5 cases per year.

B. Services Required of Successful Proposer

The County has developed the attached **Exhibit "A"** which fully describes the scope of work and services required; deliverables; benchmark requirements; and our anticipated timeline for the start and completion of this project.

Proposer will be expected to review the Exhibit to understand the expected outcome, what the desired goals and objectives are, what specific problems and challenges need to be solved in order to achieve the required end result.

C. Services Provided by the County

The County will provide a Contact Person as a primary contact, who will arrange for staff assistance by other County staff as may be required. County will also provide whatever information as may be available. County will also be available to meet and discuss project requirements and development at key times in the process.

D. Selection Process

1. All Proposals received by the specified deadline will be reviewed by a County Evaluation Committee. After the initial scoring, the Evaluation Committee may select those firms deemed most qualified for this project for further evaluation. Interviews of these selected firms may be conducted as part of the final selection process. Proposers are advised that the County, at its option, may award a contract strictly on the basis of the initial Proposals, and not create a short list of Proposals for further consideration. The firm selected by the Evaluation Committee will be recommended to the Board of Supervisors for this project, but the Board is not bound to accept the recommendation or award the project to the recommended firm.
2. If one or more of the proposers is a local vendor as defined herein, said proposer(s) shall be entitled to a local vendor preference as herein described, provided: (i) said proposer(s) achieved a score of at least seventy percent (70%) during the initial scoring phase by the Evaluation Committee; and (ii) they were included in the short list of proposers for further consideration by

the Evaluation Committee, if the Evaluation Committee elected to create a short list of Proposals.

All local vendors meeting the above stated criteria shall have their final evaluation score increased by five percent (5%) for purposes of determining the Evaluation Committee's final selection for recommendation to the Board of Supervisors.

A local vendor is defined as a proposer who:

- (a) Has had a fixed office or distribution point located in and having a street address within the county for at least six (6) months immediately prior to the issuance of the request for competitive bids by the purchasing agent
- (b) Holds any required business license by the county or a city within the county; and
- (c) Employs at least one (1) full-time or two (2) part-time employees whose primary residence is located within Kern County, or if the business has no employees shall be at least fifty percent (50%) owned by one or more persons whose primary residence is located within Kern County.

All local vendors with a Local Employee Ratio of 50% or higher will receive an additional 2% score increase, and those with a ratio of 100% will receive a 3% increase to their score. (Rev 11/19)

- (d) Will credit all sales taxes generated pursuant to the contract awarded as a result of the application of this local vendor preference to its business location in Kern County.

This local vendor preference shall not apply to any contracts funded in whole or in part with federal or state funds which do not allow the use of local preferences, or any other contracts which are statutorily or otherwise precluded from the use of local preferences during the selection process.

At-Risk Employer Preference

Per County Ordinance 2.38.132, the At-Risk Employer preference will be implemented. This ordinance provides a preference to local vendors who are also at-risk employers. If there is a tie for the low bid and both bidders are local vendors but one of the bidders is also an at-risk employer, the contract shall be awarded to the low bidder that is also the at-risk employer. In the event local vendors are allowed to submit a new bid equal to or less than the out of county low bidder, and there is a tie for the low bid and one of the responsible low bidders is also an at-risk employer, the local vendor who is also an at-risk employer will be awarded the contract

To qualify as an "At-Risk Employer," Vendor shall state below that you have provided gainful employment to "at-risk" individuals residing in Kern County for at least one (1) year prior to submitting this bid; and you

continue to provide gainful employment to ‘at-risk individuals. “At-Risk Individuals” are defined in County Ordinance 2.38.132 as those individuals who have been incarcerated within the last five (5) years and/or have been convicted of a misdemeanor or felony within the last five (5) years and/or are youth in foster care.

Vendor has employed at least one (1) at-risk individual residing in the County of Kern for at least one year prior to submitting a bid for this project and continues to provide gainful employment to at-risk individuals residing in the County of Kern.

Vendor shall not perform any work under this Agreement until Vendor has obtained all insurance required under this section and the required certificates of insurance and all required endorsements have been filed with the County's authorized insurance representative.

- b. **Liability Insurance Requirements:**

 - (b) Automobile Liability Insurance against claims of Personal Injury (including bodily injury and death) and Property Damage covering any vehicle and/or all owned, leased, hired and non-owned vehicles used in the performance of services pursuant to this Agreement with coverage equal to the policy limits, which

shall be at least one million dollars (\$1,000,000) each occurrence.

The policy shall provide coverage for breach response costs, regulatory fines and penalties as well as credit monitoring expenses.
- (2) The Commercial General Liability and Automobile liability Insurance required in this sub-paragraph b. shall include an endorsement naming the County and County's board members, officials, officers, agents and employees as additional insureds for liability arising out of this Agreement and any operations related thereto. Said endorsement shall be provided using one of the following three options: (i) on ISO form CG 20 10 11 85; or (ii) on ISO form CG 20 37 10 01 plus either ISO form CG 20 10 10 01 or CG 20 33 10 01; or (iii) on such other forms which provide coverage at least equal to or better than form CG 20 10 11 85.
 - (3) The Vendor may use Umbrella or Excess Policies to provide the liability limits as required in this agreement. This form of insurance will be acceptable provided that all of the Primary and Umbrella or Excess Policies shall provide all of the insurance coverages herein required, including, but not limited to, primary and non-contributory, additional insured, Self-Insured Retentions (SIRs), indemnity, and defense requirements. The Umbrella or Excess policies shall be provided on a true "following form" or broader coverage basis, with coverage at least as broad as provided on the underlying Commercial General Liability insurance. No insurance or self-insurance maintained

by the County, whether primary or excess, and which also apply to a loss covered hereunder, shall be called upon to contribute to a loss.

- (4) Any self-insured retentions in excess of \$100,000 must be declared on the Certificate of Insurance or other documentation provided to County and must be approved by the County Risk Manager.
 - (5) If any of the insurance coverages required under this Agreement is written on a claims-made basis, Vendor, at Vendor's option, shall either (i) maintain said coverage for at least five (5) years following the termination of this Agreement with coverage extending back to the effective date of this Agreement; (ii) purchase an extended reporting period of not less than five (5) years following the termination of this Agreement; or (iii) acquire a full prior acts provision on any renewal or replacement policy.
- c. Cancellation of Insurance -- The above stated insurance coverages required to be maintained by Vendor shall be maintained until the completion of all of Vendor's obligations under this Agreement except as otherwise indicated herein. Each insurance policy supplied by the Vendor shall not be suspended, voided, cancelled or reduced in coverage or in limits except after ten (10) days written notice by Vendor in the case of non-payment of premiums, or thirty (30) days written notice in all other cases. This notice requirement does not waive the insurance requirements stated herein. Vendor shall immediately obtain replacement coverage for any insurance policy that is terminated, canceled, non-renewed, or whose policy limits have been exhausted or upon insolvency of the insurer that issued the policy.
 - d. All insurance shall be issued by a company or companies admitted to do business in California and listed in the current "Best's Key Rating Guide" publication with a minimum rating of A-; VII. Any exception to these requirements must be approved by the County Risk Manager.
 - e. If Vendor is, or becomes during the term of this Agreement, self-insured or a member of a self-insurance pool, Vendor shall provide coverage equivalent to the insurance coverages and endorsements required above. The County will not accept such coverage unless the County determines, in its sole discretion and by written acceptance, that the coverage proposed to be provided by Vendor is equivalent to the above-required coverages.
 - f. All insurance afforded by Vendor pursuant to this Agreement shall be primary to and not contributing to all insurance or self-insurance maintained by the County. An endorsement shall be provided on all policies, except professional liability/errors and omissions, which shall waive any right of recovery (waiver of subrogation) against the County. A waiver of right of recovery (waiver of subrogation) is only required on Workers' Compensation policies when a Vendor's personnel deliver or perform services for the County while on County property.

- g. Insurance coverages in the minimum amounts set forth herein shall not be construed to relieve Vendor for any liability, whether within, outside, or in excess of such coverage, and regardless of solvency or insolvency of the insurer that issues the coverage; nor shall it preclude the County from taking such other actions as are available to it under any other provision of this Agreement or otherwise in law.
- h. Failure by Vendor to maintain all such insurance in effect at all times required by this Agreement shall be a material breach of this Agreement by Vendor. County, at its sole option, may terminate this Agreement and obtain damages from Vendor resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Vendor, County shall deduct from sums due to Vendor any premiums and associated costs advanced or paid by County for such insurance. If the balance of monies obligated to Vendor pursuant to this Agreement are insufficient to reimburse County for the premiums and any associated costs, Vendor agrees to reimburse County for the premiums and pay for all costs associated with the purchase of said insurance. Any failure by County to take this alternative action shall not relieve Vendor of its obligation to obtain and maintain the insurance coverages required by this Agreement.

I. Modifications to Scope of Work

In the event that sufficient funds do not become available to complete all the services identified in this RFP, the scope of services may be amended, as determined in the sole discretion of the County. The County may also, from time-to-time, request changes in and/or additions to the services to be provided by the successful proposer. Such changes, including any increase or decrease in compensation, which are mutually agreed upon by and between the County and the successful proposer, shall be incorporated into the contract prior to execution of the contract, and by written amendments thereto after execution.

This notice requirement does not waive the insurance requirements stated herein.

Consultant shall immediately obtain replacement coverage for any insurance policy that is terminated, canceled, non-renewed, or whose policy limits have been exhausted or upon insolvency of the insurer that issued the policy.

- d. All insurance shall be issued by a company or companies admitted to do business in California and listed in the current "Best's Key Rating Guide" publication with a minimum rating of A-; VII. Any exception to these requirements must be approved by the County Risk Manager.
- e. If Consultant is, or becomes during the term of this Agreement, self-insured or a member of a self-insurance pool, Consultant shall provide coverage equivalent to the insurance coverages and endorsements required above. The County will not accept such coverage unless the County determines, in its sole discretion and by written acceptance, that the coverage proposed to be provided by Consultant is equivalent to the above-required coverages.
- f. All insurance afforded by Consultant pursuant to this Agreement shall be primary to and not contributing to all insurance or self-insurance maintained by the County. An endorsement shall be provided on all policies, except professional liability/errors and omissions, which shall waive any right of recovery (waiver of subrogation) against the County.
- g. Insurance coverages in the minimum amounts set forth herein shall not be construed to relieve Consultant for any liability, whether within, outside, or in excess of such coverage, and regardless of solvency or insolvency of the insurer that issues the coverage; nor shall it preclude the County from taking such other actions as are available to it under any other provision of this Agreement or otherwise in law.
- h. Failure by Consultant to maintain all such insurance in effect at all times required by this Agreement shall be a material breach of this Agreement by Consultant. County, at its sole option, may terminate this Agreement and obtain damages from Consultant resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Consultant, County shall deduct from sums due to Consultant any premiums and associated costs advanced or paid by County for such insurance. If the balance of monies obligated to Consultant pursuant to this Agreement are insufficient to reimburse County for the premiums and any associated costs, Consultant agrees to reimburse County for the premiums and pay for all costs associated with the purchase of said insurance. Any failure by County to take this alternative action shall not relieve Consultant of its obligation to obtain and maintain the insurance coverages required by this Agreement.

2. Indemnification

Consultant agrees to indemnify, defend and hold harmless County and County's agents, board members, elected and appointed officials and officers, employees, volunteers and authorized representatives from any and all losses, liabilities, charges, damages, claims, liens, causes of action, awards, judgments, costs, and expenses (including, but not limited to, reasonable attorneys' fees of County Counsel and counsel retained by County, expert fees, costs of staff time, and investigation costs) of whatever kind or nature, which arise out of or are in any way connected with any act or omission of Consultant or Consultant's officers, agents, employees, independent contractors, sub-contractors of any tier, or authorized representatives. Without limiting the generality of the foregoing, the same shall include bodily and personal injury or death to any person or persons; damage to any property, regardless of where located, including the property of County; and any workers' compensation claim or suit arising from or connected with any services performed pursuant to this Agreement on behalf of Consultant by any person or entity.

3. Compensation

As compensation for Consultant's satisfactory performance of services, County agrees to pay Consultant the sum of _____ dollars (\$ _____) per month. Payment for Consultant's services shall be promptly processed by County upon Consultant's presentation of claim identifying the services rendered for the period covered by the claim.

4. Term

SAMPLE

The term of this Agreement shall be for the period commencing January 1, 2012, and terminating December 31, 2014.

5. Termination

County and Consultant agree that this Agreement shall be immediately terminable if a conflict of interest is determined to exist which would impair the effective performance of services hereunder. Otherwise, either party may terminate this Agreement by providing thirty (30) days written notice to the other party, and such termination is effective on the last day of said thirty (30) day period.

Should notice be given by either party, both parties agree to cooperate during said thirty (30) day period to act in the best interest of the County. Upon termination of this Agreement, neither party shall have any obligations or responsibilities to the other party beyond the effective date of its termination.

6. Assignment

Consultant shall not assign, sublet or transfer this Agreement, or any part hereof. Consultant shall not assign any monies due or which become due to Consultant under this Agreement without the prior express and written approval of the County.

7. Audit, Inspection and Retention of Records

Consultant agrees to maintain and make available to County accurate books and records relative to all its activities under this Agreement. Consultant shall permit County to audit, examine and make excerpts and transcripts from such records, and to conduct audits of all invoices, materials, records of personnel or other data related to all other matters covered by this Agreement. Consultant shall maintain such data and records in an accessible location and condition for a period of not less than three (3) years from the date of final payment under this Agreement, or until after the conclusion of any audit, whichever occurs last. The State of California and/or any federal agency having an interest in the subject of this Agreement shall have the same rights conferred upon County herein.

8. Authority to Bind County

It is understood that Consultant, in Consultant's performance of any and all duties under this Agreement, except as otherwise provided in this Agreement, has no authority to bind County to any agreements or undertakings.

9. Captions and Interpretation

Paragraph headings in this Agreement are used solely for convenience, and shall be wholly disregarded in the construction of this Agreement. No provision of this Agreement shall be interpreted for or against a party because that party or its legal representative drafted such provision. This Agreement is the product of negotiation and both parties are equally responsible for its authorship. Section 1654 of the California Civil Code shall not apply to the interpretation of this Agreement.

10. Choice of Law/Venue

13. Conflict of Interest

Consultant has read and is aware of the provisions of Section 1090 et seq. and Section 87100 et seq. of the Government Code relating to conflict of interest of public officers and employees. Consultant agrees that they are unaware of any financial or economic interest of any public officer or employee of the County relating to this Agreement. It is further understood and agreed that if such a financial interest does exist at the inception of this Agreement, the County may immediately terminate this Agreement by giving written notice thereof. Consultant shall comply with the requirements of Government Code section 87100 et seq. during the term of this Agreement.

14. Counterparts

This Agreement may be executed simultaneously in any number of counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

15. Enforcement of Remedies

No right or remedy herein conferred on or reserved to County is exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy given hereunder or now or hereafter existing by law or in equity or by statute or otherwise, and may be enforced concurrently or from time to time.

16. Nonwaiver

No covenant or condition of this Agreement can be waived except by the written consent of County. Forbearance or indulgence by County in any regard whatsoever shall not constitute a waiver of the covenant or condition to be performed by Consultant. County shall be entitled to invoke any remedy available to County under this Agreement or by law or in equity despite said forbearance or indulgence.

18. Severability

Should any part, term, portion or provision of this Agreement be decided finally to be in conflict with any law of the United States or the State of California, or otherwise be unenforceable or ineffectual, the validity of the remaining parts, terms, portions, or provisions shall be deemed severable and shall not be affected thereby, provided such remaining portions or provisions can be construed in substance to constitute the agreement which the parties intended to enter into in the first instance.

19. Signature Authority

Each party has full power and authority to enter into and perform this Agreement, and the person signing this Agreement on behalf of each party has been properly authorized and empowered to enter into this Agreement.

20. Sole Agreement

In addition, Consultant agrees to indemnify, defend and hold harmless the County, its agents, officers and employees, from any liability, damages or causes of action arising out of or relating to any claims that Consultant’s employees, or the employees of any subcontractor hired by Consultant, are not authorized to work in the United States for Consultant or its subcontractor and/or any other claims based upon alleged IRCA violations committed by Consultant or Consultant’s subcontractor(s).

22. No Third Party Beneficiaries

It is expressly understood and agreed that the enforcement of these terms and conditions and all rights of action relating to such enforcement, shall be strictly reserved to County and Consultant. Notwithstanding the foregoing, nothing in this Contract shall be construed to unlawfully limit an individual's Constitutional rights. County of Kern

ADMINISTRATIVE BULLETIN NO. 19

Issued: January 23, 2024

SUBJECT: FREE SPEECH POLICY

Purpose

The purpose of this Free Speech Policy is to inform all employees, employment applicants, and contractors of their constitutional rights to free speech, to petition the government for redress of grievances, to instruct representatives, and to freely associate and assemble. Unlawful discrimination based on the exercise of these rights is unacceptable and incompatible with the County's standards, as well as being a violation of the law. This Free Speech Policy also establishes the complaint and investigation procedure for alleged violations of these rights.

First Amendment Rights

Every County employee, employment applicant, and contractor has a constitutional right to free speech, to petition the government for redress of grievances, to instruct representatives, and to freely associate and assemble. ¹ For simplicity, this policy shall refer to such rights as "First Amendment Rights."

Every County employee, employment applicant, and contractor shall be free from any unlawful discrimination or retaliation by the County of Kern for exercising their First Amendment Rights while employed, while seeking employment, or while doing or seeking to do business for or with the County.

Free Speech Policy

The County of Kern remains committed to creating a professional environment in which the First Amendment Rights of all County employees, employment applicants, and contractors are protected.

It is a violation of the Constitutions of the United States and California for the County to unlawfully discriminate against County employees, employment applicants, or contractors because they exercised their First Amendment Rights.

Every County employee, and other person acting on behalf of the County, including members of the Board of Supervisors, is prohibited from unlawfully discriminating against, harassing, or retaliating against an employee, employment applicant, or contractor because the employee, employment applicant, or contractor exercised their First Amendment Rights, or because they filed a complaint or participated in an investigation under this Free Speech Policy.

All County employees and other persons acting on behalf of the County, including members of the Board of Supervisors, shall uphold and abide by this Free Speech Policy by cooperating fully in any investigation of a complaint of unlawful discrimination, harassment, or retaliation under this Free Speech Policy.

¹ California Constitution, article I, sections 2(a) and 3(a); U.S. Constitution, amend. I.

Persons in positions of authority, including managers and supervisors, shall act immediately on potential violations of this Free Speech Policy. They are responsible for knowing and enforcing this Policy and creating and maintaining a workplace free of discrimination, harassment, and retaliation, and should address potential problems before they become serious.

This Free Speech Policy applies at every level of the County and to every aspect of the workplace environment, including but not limited to, County events that occur outside of the physical workplace.

This Free Speech Policy shall be posted on the Kern County websites and in designated physical locations, and shall be attached to all County-issued Requests for Proposals (RFPs) and other solicitations for contract or grant proposals, County contracting forms and templates, and relevant notices to employees, employment applicants, and contractors.

Examples of unlawful discrimination:

- A department head recommends that a contract not be renewed because the contractor is politically active, regardless of their political position.
- A supervisor declines to recommend a supervisee for a promotion, or assigns a supervisee to less favorable job duties or to a less favorable location, because of the supervisee's union activity.
- A manager gives a supervisee poor job evaluations because the manager does not agree with their supervisee's political views.
- A county decision-maker declines to award a contract to provide social services to a particular community based organization because that organization actively campaigns for a particular bill or social movement.
- A county decision maker stops communicating with a potential contractor about a contract because the contractor has threatened to file lawsuit against the County in an unrelated case.

The California and U.S. Constitutions also provide specific First Amendment protection for County elected officials and other persons acting on behalf of the County, including volunteers and interns. This policy does not address such persons' rights.

Complaint and Investigation Procedure

Each employee, employment applicant, or contractor who believes that they have experienced unlawful discrimination or harassment described in this Policy may file a written complaint setting forth the specific facts and evidence supporting the complaint with the County Complaint Coordinator (see below). Such complaints shall be promptly forwarded to the Free Speech Retained Expert (see below). The complainant shall provide all documentary evidence, names of potential witnesses, and any other information believed by the complainant to be relevant to the complaint.

The County Complaint Coordinator shall initiate a formal investigation of the allegations in the complaint, interview all witnesses to the incident giving rise to the complaint (including the complainant and the person(s) against whom the complaint is directed), and issue written findings as to the merits of the complaint and the remedies that should be implemented to resolve the complaint under existing County ordinances, policies, and procedures. The County Complaint Coordinator shall have a period of not more than 75 business days from receipt of the complaint to conduct the investigation and to issue appropriate draft findings and recommended remedies. The 75-day time period may be extended due to the unavailability of a material witness, or with the written agreement of the complainant.

The County Complaint Coordinator shall provide the draft findings and recommended remedies to the Free Speech Retained Expert for review and approval. The County Complaint Coordinator shall also provide the Free Speech Retained Expert with a copy of the complaint, all information and documentary evidence provided by the complainant, all witness interview materials and documents provided by witnesses, and all information and documentary evidence developed by the County Complaint Coordinator in conducting the investigation.

In the event that the Free Speech Retained Expert does not approve the County Complaint Coordinator's draft findings and recommended remedies, the Free Speech Retained Expert shall prepare a written explanation of the reasons for non-approval. The Free Speech Retained Expert and County Complaint Coordinator shall meet and confer to resolve any disagreement or deficiencies, and both parties shall state their positions in writing. The County Complaint Coordinator shall then take all necessary steps to correct any deficiencies and re-submit the draft findings and recommended remedies to the Free Speech Retained Expert for review and approval.

In the case of any complaints in which there is an appearance of bias, conflict of interest, or insufficient independence with regard to the handling of the complaint by the County Complaint Coordinator, the Backup Complaint Coordinator (see below) shall conduct the investigation, and the Free Speech Retained Expert shall review and approve in the same manner as any investigation conducted by the County Complaint Coordinator.

The Free Speech Retained Expert shall conduct the investigation if both the Complaint Coordinator and the Backup Complaint Coordinator are conflicted. The County shall implement the Free Speech Retained Expert's findings and remedies.

Department heads shall be responsible for ensuring that all new employees and contract staff in their department receive a copy of this policy and sign an acknowledgment which shall be retained in the employee's personnel file (or a similar file for contract staff). In addition, department heads shall ensure that, on an annual basis, each employee in their department receives a copy of this policy and that an acknowledgment of receipt is contained in each employee's personnel file.

Department heads may establish departmental policies and internal complaint procedures provided that those policies and procedures are consistent with this Policy.

Nothing in this Policy shall abrogate any legal evidentiary standards in a court of law.

Complaints Within the Scope of Civil Service Commission Rule 1810.00, et seq.

The Kern County Rules of the Civil Service Commission ("Civil Service Rules") provide a voluntary complaint procedure for some complaints that fall within the scope of this Policy. These Civil Service Rules apply to civil service employees or applicants for civil service employment complaining of unlawful discrimination, harassment, or retaliation based on religious, union, or political affiliation, or due to their participation in a government investigation.

A complainant whose complaint falls within the scope of both the Civil Service Rules and this Policy may choose to file their complaint using the procedure described in the Civil Service Rules, commencing at section 1820.00, or using the procedure otherwise described in this Policy, but not both. If a complainant invokes both procedures for the same complaint, the complainant shall be required to make a written election of which procedure they wish to have apply.

The Free Speech Retained Expert will review all such complaints consistent with the time limitations, procedure, and appellate rights set forth in Civil Service Rule 1820.00. The Free Speech Retained Expert will review and approve findings of fact and recommended remedies issued by the Equal Employment Opportunity Officer.

Under Civil Service Rule 1830.00-1830.02, either the complainant or the County may request a hearing before the Civil Service Commission. The Free Speech Retained Expert does not review the Civil Service Commission's decision for approval but will provide a report to the County and complainant regarding any comments, concerns, or recommendations related to the Commission's final decision, within 60-120 days of that decision.
