I. GENERAL INFORMATION

A. Project Background

The County of Kern is seeking a qualified company to provide transportation and disposal services for the proper management of Household Hazardous Waste (HHW) from Kern County’s permanent Household Hazardous Waste Collection Facilities (PCF), located in Bakersfield, Mojave, and Ridgecrest, California.

B. Services Required of Successful Proposer

The County has developed the attached **Exhibit “A”** which fully describes the scope of work and services required; deliverables; benchmark requirements; and our anticipated timeline for the start and completion of this project.

Proposer will be expected to review the Exhibit to understand the expected outcome, what the desired goals and objectives are, what specific problems and challenges need to be solved in order to achieve the required end result.

The County of Kern and Kern County Public Works Department is issuing this Request for Proposal to qualified firms to be used in the selection of a contractor capable of providing a combination of transportation, and disposal services for the proper management of Household Hazardous Waste (HHW) and Very Small Quantity Generator (VSQG) business waste from Kern County’s permanent Household Hazardous Waste Collection Facilities (PCF) (located in Bakersfield, Mojave, and Ridgecrest California).

C. Services Provided by the County

The County will provide a Contact Person as a primary contact, who will arrange for staff assistance by other County staff as may be required. County will also provide whatever information as may be available. County will also be available to meet and discuss project requirements and development at key times in the process.

D. Selection Process

1. All Proposals received by the specified deadline will be reviewed by a County Evaluation Committee. After the initial scoring, the Evaluation Committee may select those firms deemed most qualified for this project for further evaluation. Interviews of these selected firms may be conducted as part of the final selection process. Proposers are advised that the County, at its option, may award a contract strictly on the basis of the initial Proposals, and not create a short list of Proposals for further consideration. The firm selected by the Evaluation Committee will be recommended to the Board of Supervisors for this project, but the Board is not bound to accept the recommendation or award the project to the recommended firm.
2. If one or more of the proposers is a local vendor as defined herein, said proposer(s) shall be entitled to a local vendor preference as herein described, provided: (i) said proposer(s) achieved a score of at least seventy percent

(70%) during the initial scoring phase by the Evaluation Committee; and (ii) they were included in the short list of proposers for further consideration by the Evaluation Committee, if the Evaluation Committee elected to create a short list of Proposals.

All local vendors meeting the above stated criteria shall have their final evaluation score increased by five percent (5%) for purposes of determining the Evaluation Committee's final selection for recommendation to the Board of Supervisors.

A local vendor is defined as a proposer who:

- (a) Has had a fixed office or distribution point located in and having a street address within the county for at least six (6) months immediately prior to the issuance of the request for competitive bids by the purchasing agent
- (b) Holds any required business license by the county or a city within the county; and
- (c) Employs at least one (1) full-time or two (2) part-time employees whose primary residence is located within Kern County, or if the business has no employees shall be at least fifty percent (50%) owned by one or more persons whose primary residence is located within Kern County.

All local vendors with a Local Employee Ratio of 50% or higher will receive an additional 2% score increase, and those with a ratio of 100% will receive a 3% increase to their score. (Rev 11/19)

- (d) Will credit all sales taxes generated pursuant to the contract awarded as a result of the application of this local vendor preference to its business location in Kern County.

This local vendor preference shall not apply to any contracts funded in whole or in part with federal or state funds which do not allow the use of local preferences, or any other contracts which are statutorily or otherwise precluded from the use of local preferences during the selection process.

At-Risk Employer Preference

Per County Ordinance 2.38.132, the At-Risk Employer preference will be implemented. This ordinance provides a preference to local vendors who are also at-risk employers. If there is a tie for the low bid and both bidders are local vendors but one of the bidders is also an at-risk employer, the contract shall be awarded to the low bidder that is also the at-risk employer. In the event local vendors are allowed to submit a new bid equal to or less than the out of county low bidder, and there is a tie for the low bid and one of the responsible low bidders is also an at-risk employer, the local vendor who is also an at-risk employer will be awarded the contract

To qualify as an “At-Risk Employer,” Vendor shall state below that you have provided gainful employment to “at-risk” individuals residing in Kern County for at least one (1) year prior to submitting this bid; and you continue to provide gainful employment to ‘at-risk individuals. “At-Risk Individuals” are defined in County Ordinance 2.38.132 as those individuals who have been incarcerated within the last five (5) years and/or have been convicted of a misdemeanor or felony within the last five (5) years and/or are youth in foster care.

Vendor has employed at least one (1) at-risk individual residing in the County of Kern for at least one year prior to submitting a bid for this project and continues to provide gainful employment to at-risk individuals residing in the County of Kern.

The final agreement may include the contents of the RFP, any addenda to this RFP, portions of the successful proposer's Proposal and any other modifications determined by the County to be necessary prior to its execution by the parties.

Until such time as the Evaluation Committee has completed its deliberative process and the matter has been set for consideration before the Board of

Supervisors, the agreement and all documents and materials relating thereto, the negotiation and execution thereof, including, without limitation, the existence of the Agreement and the negotiations taking place between the parties, shall be confidential.

The standard County master terms and conditions included in this RFP is for informational purposes and should not be returned with a Proposal; however, the Proposal shall include a statement that the proposer has reviewed the standard County master terms and conditions and either i) will agree to and accept the master terms and conditions contained therein if selected, or ii) indicate those specific provisions of the standard County master terms and conditions to which the proposer takes exception and why. Raising of significant exceptions in a Proposal, as determined in the sole discretion of the County, may be cause for rejection of the Consultant's Proposal.

The selected Consultant will be required to execute an agreement with the County for the services requested within 60 calendar days of the award. If agreement on the terms and conditions of the contract that are acceptable to the County including, but not limited to, compensation, cannot be achieved within that timeframe, the County reserves the right to continue negotiations or to award the bid to another Consultant and begin negotiations with that Consultant.

Consultant must identify and provide contact information in their Proposal of the individual within their organization who is authorized to negotiate the terms and conditions of any agreement between Consultant and County.

H. Insurance Requirements

Vendor, in order to protect County and its board members, officials, agents, officers, and employees against all claims and liability for death, injury, loss and damage as a result of Vendor's actions in connection with the performance of Vendor's obligations, as required in this Agreement, shall secure and maintain insurance as described below.

Vendor shall not perform any work under this Agreement until Vendor has obtained all insurance required under this section and the required certificates of insurance and all required endorsements have been filed with the County's authorized insurance representative.

Receipt of evidence of insurance that does not comply with all applicable insurance requirements shall not constitute a waiver of the insurance requirements set forth herein. The required documents must be signed by the authorized representative of the insurance company shown on the certificate. Upon request, Vendor shall supply proof that such person is an authorized representative thereof, and is authorized to bind the named underwriter(s) and their company to the coverage, limits and termination provisions shown thereon.

The Vendor shall promptly deliver to the County's authorized insurance representative a certificate of insurance, and all required endorsements, with respect to each renewal policy, as necessary to demonstrate the maintenance of

the required insurance coverage for the term specified herein. Such certificates and endorsements shall be delivered to the County's authorized insurance representative prior to the expiration date of any policy and bear a notation evidencing payment of the premium thereof if so requested. Vendor shall immediately pay any deductibles and self-insured retentions under all required insurance policies upon the submission of any claim by Vendor or County as an additional insured.

- a. **Workers' Compensation and Employers Liability Insurance Requirement:**
In the event Vendor has employees who may perform any services pursuant to this Agreement, Vendor shall submit written proof that Vendor is insured against liability for workers' compensation in accordance with the provisions of section 3700 of the California Labor Code.

Vendor shall require any sub-contractors to provide workers' compensation for all of the subcontractors' employees, unless the sub-contractors' employees are covered by the insurance afforded by Vendor. If any class of employees engaged in work or services performed under this Agreement is not covered by California Labor Code section 3700, Vendor shall provide and/or require each sub-contractor to provide adequate insurance for the coverage of employees not otherwise covered.

Vendor shall also maintain employer's liability insurance with limits of one million dollars (\$1,000,000) for bodily injury or disease.

- b. **Liability Insurance Requirements:**

(1) Vendor shall maintain in full force and effect, at all times during the term of this Agreement, the following insurance:

(a) Commercial General Liability Insurance including, but not limited to, Contractual Liability Insurance (specifically concerning the indemnity provisions of this Agreement with the County), Products-Completed Operations Hazard, Personal Injury (including bodily injury and death), and Property Damage for liability arising out of Vendor's performance of work under this Agreement. The Commercial General Liability insurance shall contain no exclusions or limitation for independent contractors working on the behalf of the named insured. Vendor shall maintain the Products-Completed Operations Hazard coverage for the longest period allowed by law following termination of this Agreement. The amount of said insurance coverage required by this Agreement shall be the policy limits, which shall be at least one million dollars (\$1,000,000) each occurrence and two million dollars (\$2,000,000) aggregate.

(b) Automobile Liability Insurance against claims of Personal Injury (including bodily injury and death) and Property Damage covering any vehicle and/or all owned, leased, hired and non-owned vehicles used in the performance of services pursuant to

this Agreement with coverage equal to the policy limits, which shall be at least one million dollars (\$1,000,000) each occurrence.

- (c) Professional Liability (Errors and Omissions) Insurance, for liability arising out of, or in connection with, the performance of all required services under this Agreement, with coverage equal to the policy limits, which shall not be less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate.
- (2) The Commercial General Liability and Automobile liability Insurance required in this sub-paragraph b. shall include an endorsement naming the County and County's board members, officials, officers, agents and employees as additional insureds for liability arising out of this Agreement and any operations related thereto. Said endorsement shall be provided using one of the following three options: (i) on ISO form CG 20 10 11 85; or (ii) on ISO form CG 20 37 10 01 plus either ISO form CG 20 10 10 01 or CG 20 33 10 01; or (iii) on such other forms which provide coverage at least equal to or better than form CG 20 10 11 85.
 - (3) Any self-insured retentions in excess of \$100,000 must be declared on the Certificate of Insurance or other documentation provided to County and must be approved by the County Risk Manager.
 - (4) If any of the insurance coverages required under this Agreement is written on a claims-made basis, Vendor, at Vendor's option, shall either (i) maintain said coverage for at least three (3) years following the termination of this Agreement with coverage extending back to the effective date of this Agreement; (ii) purchase an extended reporting period of not less than three (3) years following the termination of this Agreement; or (iii) acquire a full prior acts provision on any renewal or replacement policy.
- c. Cancellation of Insurance -- The above stated insurance coverages required to be maintained by Vendor shall be maintained until the completion of all of Vendor's obligations under this Agreement except as otherwise indicated herein. Each insurance policy supplied by the Vendor shall not be suspended, voided, cancelled or reduced in coverage or in limits except after ten (10) days written notice by Vendor in the case of non-payment of premiums, or thirty (30) days written notice in all other cases. This notice requirement does not waive the insurance requirements stated herein. Vendor shall immediately obtain replacement coverage for any insurance policy that is terminated, canceled, non-renewed, or whose policy limits have been exhausted or upon insolvency of the insurer that issued the policy.
 - d. All insurance shall be issued by a company or companies admitted to do business in California and listed in the current "Best's Key Rating Guide"

publication with a minimum rating of A-; VII. Any exception to these requirements must be approved by the County Risk Manager.

- e. If Vendor is, or becomes during the term of this Agreement, self-insured or a member of a self-insurance pool, Vendor shall provide coverage equivalent to the insurance coverages and endorsements required above. The County will not accept such coverage unless the County determines, in its sole discretion and by written acceptance, that the coverage proposed to be provided by Vendor is equivalent to the above-required coverages.
- f. All insurance afforded by Vendor pursuant to this Agreement shall be primary to and not contributing to all insurance or self-insurance maintained by the County. An endorsement shall be provided on all policies, except professional liability/errors and omissions, which shall waive any right of recovery (waiver of subrogation) against the County. A waiver of right of recovery (waiver of subrogation) is only required on Workers' Compensation policies when a Vendor's personnel deliver or perform services for the County while on County property.
- g. Insurance coverages in the minimum amounts set forth herein shall not be construed to relieve Vendor for any liability, whether within, outside, or in excess of such coverage, and regardless of solvency or insolvency of the insurer that issues the coverage; nor shall it preclude the County from taking such other actions as are available to it under any other provision of this Agreement or otherwise in law.
- h. Failure by Vendor to maintain all such insurance in effect at all times required by this Agreement shall be a material breach of this Agreement by Vendor. County, at its sole option, may terminate this Agreement and obtain damages from Vendor resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Vendor, County shall deduct from sums due to Vendor any premiums and associated costs advanced or paid by County for such insurance. If the balance of monies obligated to Vendor pursuant to this Agreement are insufficient to reimburse County for the premiums and any associated costs, Vendor agrees to reimburse County for the premiums and pay for all costs associated with the purchase of said insurance. Any failure by County to take this alternative action shall not relieve Vendor of its obligation to obtain and maintain the insurance coverages required by this Agreement.

I. Modifications to Scope of Work

In the event that sufficient funds do not become available to complete all the services identified in this RFP, the scope of services may be amended, as determined in the sole discretion of the County. The County may also, from time-to-time, request changes in and/or additions to the services to be provided by the successful proposer. Such changes, including any increase or decrease in compensation, which are mutually agreed upon by and between the County and

the successful proposer, shall be incorporated into the contract prior to execution of the contract, and by written amendments thereto after execution.

If any organizational conflict of interest is discovered by Contractor relating to this Agreement, Contractor shall immediately notify County, and attempt to present a suitable mitigation plan. County may, at its sole discretion, terminate this agreement in the event that Contractor has any actual or potential organizational conflict of interest. As used in this paragraph, "**Organization conflict of interest**" means any relationship whereby Contractor has present or planned interests related to the work to be performed under this Agreement which: (1) May diminish its capacity to give impartial, technically sound, objective assistance and advice or may otherwise result in a biased work product, or (2) may result in its being given an unfair advantage.

Kern County Board of Supervisor Ordinance No. G-8891 amends Section 2.38.131 Chapter 2.38 Title 2 to include additional preference for Local Vendors that meet Local Employee Ratios. This ordinance shall be published in accordance with Government Code Section 25124 and it shall take effect and be in full force on and after the 7th day of February, 2020.

If you wish to claim Local Vendor Preference & Local Employee Ratio, you must fill out the requested information below and return with bid documents.

LOCAL VENDOR PREFERENCE (LVP)

If the low bidder is not a local vendor, any local vendor who submitted a bid that is within five percent (5%) of the low bid shall have the option of submitting a new bid within 48 hours (not including weekends and holidays) of the time indicated in the bid documents of the bid opening. Such new bids must be in an amount less than or equal to the low bid announced by the Purchasing Agent. If the Purchasing Agent receives any new bids from local vendors who have the option of submitting new bids within said forty-eight (48) hour period, the Purchasing Agent shall award the contract to the local vendor submitting the lowest bid. If more than one new bid is received from local vendors, and there is a tie for the low bid, the contract shall be awarded to the local vendor whose original bid was the lowest.

LOCAL EMPLOYEE RATIO

A local employee ratio shall be defined as the ratio of Kern County residents currently employed and working full-time equivalent for a local vendor; to any local vendor's total number of full-time equivalent employees statewide. BIDS AWARDED LOW BID TO SPECIFICATION:

After application of the 5% LVP, all vendors with a Local Employee Ratio of 50% or higher will receive an additional 2% preference; those with a ratio of 100% will receive a 3% preference. If there is a tie for the lowest price after the preference is applied, the award will go to the local vendor whose original bid was the lowest.

The required documents must be signed by the authorized representative of the insurance company shown on the certificate. Upon request, Consultant shall supply proof that such person is an authorized representative thereof, and is authorized to bind the named underwriter(s) and their company to the coverage, limits and termination provisions shown thereon. The Consultant shall promptly deliver to ITS a certificate of insurance, and all required endorsements, with respect to each renewal policy, as necessary to demonstrate the maintenance of the required insurance coverage for the term specified herein. Such certificates and endorsements shall be delivered to ITS prior to the expiration date of any policy and bear a notation evidencing payment of the premium thereof if so requested. Consultant shall immediately pay any deductibles and self-insured retentions under all required insurance policies upon the submission of any claim by Consultant or County as an additional insured.

- a. Workers' Compensation and Employers Liability Insurance Requirement -- In the event Consultant has employees who may perform any services pursuant to this Agreement, Consultant shall submit written proof that Consultant is insured against liability for workers' compensation in accordance with the provisions of section 3700 of the California Labor Code.

Consultant shall require any sub-contractors to provide workers' compensation for all of the subcontractors' employees, unless the sub-contractors' employees are covered by the insurance afforded by Consultant. If any class of employees engaged in work or services performed under this Agreement is not covered by California Labor Code section 3700, Consultant shall provide and/or require each sub-contractor to provide adequate insurance for the coverage of employees not otherwise covered.

Consultant shall also maintain employer's liability insurance with limits of one million dollars (\$1,000,000) for bodily injury or disease.

- b. Liability Insurance Requirements:

- (1) Consultant shall maintain in full force and effect, at all times during the term of this Agreement, the following insurance:
 - (a) Commercial General Liability Insurance including, but not limited to, Contractual Liability Insurance (specifically concerning the indemnity provisions of this Agreement with the County), Personal Injury (including bodily injury and death), and Property Damage for liability arising out of Consultant's performance of work under this Agreement. The Commercial General Liability insurance shall contain no exclusions or limitation for independent contractors working on the behalf of the named insured. The amount of said insurance coverage required by this Agreement shall be the policy limits, which shall be at least one million dollars (\$1,000,000) each occurrence and two million dollars (\$2,000,000) aggregate.
 - (b) Automobile Liability Insurance against claims of Personal Injury (including bodily injury and death) and Property Damage covering any vehicle and/or all owned, leased, hired and non-owned vehicles used in the performance of services pursuant to this Agreement with coverage equal to the policy limits, which shall be at least one million dollars (\$1,000,000) each occurrence.
 - (c) Professional Liability (Errors and Omissions) Insurance, for liability arising out of, or in connection with, the performance of all required services under this Agreement, with coverage equal to the policy limits, which shall not be less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate.
- (2) The Commercial General Liability and Automobile liability Insurance required in this sub-paragraph b. shall include an endorsement naming the County and County's board members, officials, officers, agents and employees as additional insureds for liability arising out of this Agreement and any operations related thereto. Said endorsement shall be provided using one of the following three options: (i) on ISO form CG 20 10 11 85; or (ii) on ISO form CG 20 37 10 01 plus either ISO form CG 20 10 10 01 or CG 20 33 10 01; or (iii) on such other forms which provide coverage at least equal to or better than form CG 20 10 11 85.
- (3) Any self-insured retentions in excess of \$100,000 must be declared on the Certificate of Insurance or other documentation provided to County and must be approved by the County Risk Manager.
- (4) If any of the insurance coverages required under this Agreement is written on a claims-made basis, Consultant, at Consultant's option, shall either (i) maintain said coverage for at least three (3) years

following the termination of this Agreement with coverage extending back to the effective date of this Agreement; (ii) purchase an extended reporting period of not less than three (3) years following the termination of this Agreement; or (iii) acquire a full prior acts provision on any renewal or replacement policy.

- c. Cancellation of Insurance -- The above stated insurance coverages required to be maintained by Consultant shall be maintained until the completion of all of Consultant's obligations under this Agreement except as otherwise indicated herein. Each insurance policy supplied by the Consultant shall not be suspended, voided, cancelled or reduced in coverage or in limits except after ten (10) days written notice by Consultant in the case of non-payment of premiums, or thirty (30) days written notice in all other cases. This notice requirement does not waive the insurance requirements stated herein. Consultant shall immediately obtain replacement coverage for any insurance policy that is terminated, canceled, non-renewed, or whose policy limits have been exhausted or upon insolvency of the insurer that issued the policy.
- d. All insurance shall be issued by a company or companies admitted to do business in California and listed in the current "Best's Key Rating Guide" publication with a minimum rating of A-; VII. Any exception to these requirements must be approved by the County Risk Manager.
- e. If Consultant is, or becomes during the term of this Agreement, self-insured or a member of a self-insurance pool, Consultant shall provide coverage equivalent to the insurance coverages and endorsements required above. The County will not accept such coverage unless the County determines, in its sole discretion and by written acceptance, that the coverage proposed to be provided by Consultant is equivalent to the above-required coverages.
- f. All insurance afforded by Consultant pursuant to this Agreement shall be primary to and not contributing to all insurance or self-insurance maintained by the County. An endorsement shall be provided on all policies, except professional liability/errors and omissions, which shall waive any right of recovery (waiver of subrogation) against the County.
- g. Insurance coverages in the minimum amounts set forth herein shall not be construed to relieve Consultant for any liability, whether within, outside, or in excess of such coverage, and regardless of solvency or insolvency of the insurer that issues the coverage; nor shall it preclude the County from taking such other actions as are available to it under any other provision of this Agreement or otherwise in law.
- h. Failure by Consultant to always maintain all such insurance in effect required by this Agreement shall be a material breach of this Agreement by Consultant. County, at its sole option, may terminate this Agreement and obtain damages from consultant resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Consultant, County shall deduct from sums due to Consultant any premiums and associated costs advanced or paid by County for such insurance.

If the balance of monies obligated to Consultant pursuant to this Agreement are insufficient to reimburse County for the premiums and any associated costs, Consultant agrees to reimburse County for the premiums and pay for all costs associated with the purchase of said insurance. Any failure by County to take this alternative action shall not relieve Consultant of its obligation to obtain and maintain the insurance coverages required by this Agreement.

2. Indemnification

Consultant agrees to indemnify, defend and hold harmless County and County's agents, board members, elected and appointed officials and officers, employees, volunteers and authorized representatives from any and all losses, liabilities, charges, damages, claims, liens, causes of action, awards, judgments, costs, and expenses (including, but not limited to, reasonable attorneys' fees of County Counsel and counsel retained by County, expert fees, costs of staff time, and investigation costs) of whatever kind or nature, which arise out of or are in any way connected with any act or omission of Consultant or Consultant's officers, agents, employees, independent contractors, sub-contractors of any tier, or authorized representatives. Without limiting the generality of the foregoing, the same shall include bodily and personal injury or death to any person or persons; damage to any property, regardless of where located, including the property of County; and any workers' compensation claim or suit arising from or connected with any services performed pursuant to this Agreement on behalf of Consultant by any person or entity.

3. Compensation

As compensation for Consultant's satisfactory performance of services, County agrees to pay Consultant the sum of _____ dollars (\$ _____) per month. 5. Termination

County and Consultant agree that this Agreement shall be immediately terminable if a conflict of interest is determined to exist which would impair the effective performance of services hereunder. Otherwise, either party may terminate this Agreement by providing thirty (30) days written notice to the other party, and such termination is effective on the last day of said thirty (30) day period.

Should notice be given by either party, both parties agree to cooperate during said thirty (30) day period to act in the best interest of the County. Upon termination of this

Agreement, neither party shall have any obligations or responsibilities to the other party beyond the effective date of its termination.

6. Assignment

Consultant shall not assign, sublet or transfer this Agreement, or any part hereof. Consultant shall not assign any monies due or which become due to Consultant under this Agreement without the prior express and written approval of the County.

7. Audit, Inspection and Retention of Records

Consultant agrees to maintain and make available to County accurate books and records relative to all its activities under this Agreement. Consultant shall permit County to audit, examine and make excerpts and transcripts from such records, and to conduct audits of all invoices, materials, records of personnel or other data related to all other matters covered by this Agreement. Consultant shall maintain such data and records in an accessible location and condition for a period of not less than three (3) years from the date of final payment under this Agreement, or until after the conclusion of any audit, whichever occurs last. The State of California and/or any federal agency having an interest in the subject of this Agreement shall have the same rights conferred upon County herein.

16. Nonwaiver

No covenant or condition of this Agreement can be waived except by the written consent of County. Forbearance or indulgence by County in any regard whatsoever shall not constitute a waiver of the covenant or condition to be performed by Consultant.
